Meet Matt Kerr ...  
ETC's Director of Training  
& Business Development

Matt's fishing  
for  
business!

Matt's EH&S experience ranges from hands-on field operations in HazMat Emergency Response, Site Remediation, Fire and Rescue to curriculum/program development and conducting training as an OSHA Training Institute (OTI) instructor. Matt teaches for the U.S. Military which gives ETC's clients a realistic perspective when attending the Military EM385-1-1 class. He will be using his knowledge and skills to improve ETC's curriculum and teaching methods while playing a key role in business development. Matt understands and subscribes to the ETC philosophy – "It's all about the Client".
