

## Notice Regarding COVID-19

### *What we're doing...*

- Classrooms are arranged to allow for social distancing.
- Work surfaces, common areas and common touchpoints are disinfected daily.
- Hand sanitizer is provided in each classroom.
- A basic COVID-19 screening process has been implemented (see below).

### *What we ask of you...*

The day of class, please ask yourself the following questions:

- Have you or a member of your household tested positive for COVID-19 within the last 14 days?
- Are you or a member of your household awaiting results from a COVID-19 test administered within the last 14 days?
- Have you been notified by a public health authority that you or a member of your household has potentially been exposed to COVID-19?
- Have you had close contact with or cared for someone diagnosed with COVID-19 within the last 14 days?
- Have you experienced any cold or flu-like symptoms in the last 24 hours (including a fever of 100.4° F or higher, dry cough, chills, sore throat, or shortness of breath)?

*If the answer to any of these questions is "yes," please call to reschedule your training.*

### *Face Coverings...*

- We ask that all attendees review and abide by federal and local government orders that pertain to face coverings, and trust that each attendee will use high regard and discretion with their individual circumstances prior to attending class.

For the care and consideration of all those in attendance, ETC Safety Professionals reserve the right to dismiss attendees from class at their discretion. Training will be rescheduled.

Thank you for your cooperation.
